Looks like for some reason your email below that was sent before 2 pm didn't get to me until after I had already notified you about the call. Rest assured that EPA isn't having a call with NEIC without our DOJ counsel!

Bob,

I texted you my availability this morning, and it is now almost 2 o'clock, when I think a call may be taking place. What is the plan for talking with NEIC? I am around and available.

Thanks,

Andrew
